RNC Pin

The RNC pin is 10K gold filled with a burgundy enamel border. Pin size is 7/8" diameter. It also comes with a complete lifetime guarantee.

Display appreciation for your unit's RNCs and holders of Certificates of Added Qualification! Recognize them with a unit plaque.

Choose between solid walnut or wood veneer with walnut finish.

The Unit Plaque is available with a generic header plaque in brass with black imprinting. It reads "The Following Health Care Providers Have Been Credentialed by NCC"

Or an RNC header plaque in brass with burgundy and black imprinting. It reads "The Following Registered Nurses Have Achieved NCC Certification in the Obstetric, Gynecologic and Neonatal Specialty"

Engraving for the individual name plates is also available. We suggest including the certification &/or certificate specialty.
